Parent/Guardian: \_\_\_\_\_ Name of Athlete \_\_\_\_\_

e-mail address: \_\_\_\_\_ primary phone #: \_\_\_\_\_

Volunteers are vital to the success of our track program. We cannot host our home meets without participation from all parents. To ensure your participation, we require a separate, refundable, deposit check of \$75.00 per family which WILL NOT BE CASHED throughout the season. Every family is required to provide 3-4 hours of work at each of our home meets. Alternatively, you can choose to fill one of our other administrative positions, listed at the bottom of this form.

Please select an assignment from the list below. To ensure that you get your preference, place a **1** next to your first choice and a **2** next to your second. If you're not sure what task to do, we can assign one based on our needs for that home meet.

Upon completion of the season, your deposit check will be returned to you by mail if your family has fulfilled their entire obligation. With 3 home meets this season, so your obligation will break into thirds. If you are unable to fulfill any part of your obligation, your deposit will go towards hiring paid workers to fill in for you.

Track meets are divided into two shifts. The first shift is responsible for being at the track at 8 a.m. to help with the meet setup. It will continue through the end of the 100 meter dash. The second shift is responsible for working from the start of the 100 's ( the overlap is intentional ) through the end of the meet, including cleanup.
